

St. Luke's Hospital & Health Network
Director of Finance

St. Luke's Hospital & Health Network is expanding! We are currently recruiting for several positions in our growing Finance department. Our Anderson campus, the Nation's Newest Hospital, is opening November, 2011.

Based in the Lehigh Valley area region of Eastern PA, we are seeking experienced professionals for the newly created position, Director, Finance. One position is to support our Bethlehem campus and the second position supports St. Luke's Physicians Group.

The Director of Finance (DOF) position for either the Bethlehem campus (requisition 12094) or St. Luke's Physicians Group, is an important and highly visible position responsible for providing support to all levels of leadership within the specific entity. The DOF will serve as the primary point of contact for financial issues and is expected to have a thorough understanding of the drivers that influence performance as well as have the ability to identify and clearly explain them to others. The DOF will work together with the Network accounting department to ensure timely and accurate preparation of the monthly accounting, analysis and financial reporting. The DOF will actively participate in entity specific strategic planning and is responsible for the annual operating budget, periodic forecasting, and financial analysis of existing and proposed programs. A Bachelor's degree in Accounting, Finance or Business Administration is required; Master's preferred. 7 - 10 years progressive experience in budgeting and financial planning with 3 years management experience preferred. CMA or CPA certifications preferred.
