

Witt / Kieffer has been engaged by Lehigh Valley Health System to help them identify a very seasoned and strategic **Chief Financial Officer**. This health system is a very successful organization with a long history of service and excellence. Its physician driven nature postures it for great success in the changing health reform world.

Interested candidates should have system experience, extensive senior level strategic finance experience in competitive markets, and be strong team players.

Resumes should be sent (with preference for email correspondence) to LehighCFO@wittkieffer.com.
