

## Senior Auditor Opportunity - Corporate Compliance

WellSpan Health is a not-for-profit, community based health care system serving more than 650,000 people in south central Pennsylvania and northern Maryland. York Hospital, a 570+ bed community teaching hospital, and Gettysburg Hospital, a 76-bed acute-care facility, are the cornerstones of the health system. The organization has received significant, national recognition, including being named a "Top 100 Integrated Health Network" by Verispan, being one of the "Top 25 Connected Healthcare Facilities" by Health Imaging and IT and York Hospital has been named a "Top 100 Hospital" by Solucient seven times. WellSpan Health is an integrated health system with more than 60 care sites, 8,000 employees and seven residency programs. We are currently hiring a full-time Senior Auditor for Corporate Compliance in York, PA.

This position will be responsible for planning the scope, objectives, time, budget and staffing needs of audit projects; performing and/or supervising the performance of medical records audits, evaluations and other reviews for the System to ensure and assess compliance with applicable laws and regulations; preparing and presenting written and oral reports summarizing audit work, issues identified and recommendations to management.

### **The qualified candidate will be responsible for carrying out the following duties:**

- Plans, develops and recommends objectives, procedures and systems to be used in auditing entities, functions and departments throughout the System.
- Schedules audit work of assigned staff to obtain greatest coverage at minimum cost.
- Performs and/or supervises the performance of audits, evaluations and reviews.
- Investigates and recommends action to be taken when control, operational weaknesses and/or compliance issues are found. Monitors implementation of recommended corrective action and performs follow up reviews where necessary.
- Assists with compliance program implementation and monitoring throughout the organization.
- Assists in the development and dissemination of education and training processes for the employees regarding compliance related activities.
- Assists with any investigations in accordance with the investigation protocol established by the organization.
- Assists in responding to questions, issues, concerns and reports of possible misconduct reported or identified through the organization's hotline or other reporting lines.
- Assists with the development and oversight of the implementation of corrective action plans to address noncompliance.
- Supports the organization's commitment to comply with all federal, state, and local standards, with an emphasis on prevention of fraud and abuse.
- Promotes and adheres to the Code of Conduct and the elements of the Compliance Program and exercises due diligence to ensure compliance with policies and legal requirements.
- Prepares written reports pertaining to determinations and recommendations resulting from routine audits and/or assigned special projects. Presents report to appropriate managers and boards.
- Assists in developing budgets and the annual audit plan.
